Percent satisfied with school-home relations	95.7%	84.8%	93.5%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Simpsonville Elementary has gained in all area in the past few years. State test scores have risen in one category or the other for five consecutive years. We use test data, state standards, district goals, and school goals to develop our strategic plan. Our mission is "Preparing students to be productive, respectful, and responsible." One of our top priorities is to raise the academic challenge and performance of each student by increasing the percentage of students scoring Met or Exemplary on PASS tests, even as the standards are set progressively higher. On the 2010 PASS Reading 78.2% of our student scored Met or Exemplary and 77.6% of our students scored Met or Exemplary in Math. We are providing a school environment conducive to learning by promoting character education, as well as civic responsibility. We have enhanced public understanding and support of our school by involving parents and volunteers as partners in our school programs such as Junior Achievement, our morning math and reading programs, Hispanic Family Nights, Super Star Math, and small group tutoring. Parents have access to current school information through our website. Students have collected canned goods, brought clothing for the Cool Kids Closet, donated stuffed animals for Cuddles for Kids, brought pet food for animal shelters, raised money through Jump Rope for Heart, and donated over \$600 to a high school in another state that was seriously damaged by a tornado. Success will be measured by standardized tests like MAP, PASS, ITBS, and AIMSWEB, student classroom performance, logs of teacher conferences, PTA meetings, and staff development. Our vision is to help each child reach his or her full potential by providing creative and challenging learning opportunities. Field trips at each level enrich our curriculum. Simpsonville Elementary has a heritage of strong academic performance. We believe our use of Four Blocks Reading model, Every Day Counts math program, Larson's Math, RTI program, academic enrichment, and strong standards-based core instruction contribute to students' success. We have a well-seasoned staff who manage their classrooms effectively. We have the support of our parents and our community as evidenced by hundreds of volunteer hours each year. We won a state Red Carpet Award in 2010. Being a "family-friendly" school is important to us. We will continue to keep our standards high by analysis of test data and team planning, and will maintain an atmosphere where children love to come to school to learn.
